PROFESSIONAL EXPERIENCE

Astound Video

Media Transfer Technician | October 2025 – Present

Digitizing multiple analog video and audio assets a day using DAWs and Video Editing software. Editing content to clean up artifacts that occur during recording. Performing repairs on tapes to recover lost videos and audio. Providing friendly customer support to customers and helping them determine what service is best for their needs.

3Play Media

Audio Describer | October 2024 – October 2025

Writing and editing 2 to 4 audio description scripts per day for accessibility services across several broadcasters. Reviewing and editing voice-overs to ensure quality and accuracy. Creating style guides for each show through research to ensure quality references for each script.

RADIO K, University of Minnesota

Host and Managing Editor | October 2022 – May 2024

Led the creation of half-hour to hour bi-weekly episodes for an arts and culture journalism podcast. Directed a team of 5 reporters in story production and trained volunteers to use Pro Tools software. Wrote descriptions of the podcast for the web. Conducted interviews and mastered episodes for release on the air, web, and PRX.

RADIO K, University of Minnesota

Beat Reporter | June 2022 – October 2022

Produced narrative-based and informative audio stories for a bi-weekly arts and culture journalism podcast. Interviewed topic experts, conducted research, and mixed audio for each 3 to 5 minute story. Pitched story ideas each week alongside other reporters to find the most pertinent stories.

EDUCATION

University of Minnesota | September 2020 - May 2024 | GPA 3.189

Technical Writing and Communications B.S. (Health Sciences Sub plan)
